

FLEGMANN WINES

The Wines

The Blend is rich and full flavored. Aged for 22 months in oak barrels, offers hints of coffee, dark plum, violet flavors and aromas.

The Rose is surprisingly made of 15% Gewurtz which made it as particular as flavorfull

Our opinion

As the main Flegmann distributor in israel, you can trust Maison Mercier on our 4 new delicate wines.

We personally know the amazing wine maker, Sam, who has the talent to offer elegant and fruity wines.

Our Grade : 8.9/10

History

The Flegmann family was in the wine making business for generations in a small town called Mad (pronounced Maad) in the Tokay region of Hungary. The family's wine was considered the highest quality. After the devastation of the Holocaust when so much was lost, from our father's will to rebuild was born a dream to revive the Flegmann wine label. Late in his life, this became a reality, as he looked to the Judean Hills to be the new home for Flegmann wine.
